December 6, 2023

Dear Parents and Guardians,

The Moniteau School District has been approved for Flexible Instructional Days (FID) by the Pennsylvania Department of Education. Approval for FID allows the district to conduct virtual learning days if the building is closed due to inclement weather or other issues. While we have the technology available to support virtual learning, we understand that other issues may prevent your child's access to their work on FID days. With this in mind our teachers have prepared the attached assignments to meet the requirements for work completion during a virtual learning day. Instruction will also be provided on the Google Classroom, with the following accommodations:

- 1) The school will share a Google Form for student attendance via Class Dojo on any FID day. Parents may call the school to account for their student's attendance at 724-637-2321.
- 2) Teachers will post assignments and be available for "office hours" between 11:00 a.m. and 3:00 p.m. on any Flexible Instructional Day.
- 3) As students in Grades K, 1, and 2 do not take home Chromebooks every night, if possible, a distribution will be held at the school the evening before any FID day.

If you have any questions regarding FID or this packet, please contact the Principal's office. While we hope that use of these days is only for emergencies, we want our families to be informed and prepared in advance of their use. Thank you for your support for your child's attendance and work completion!

Yours in education,

Kevin Boariu
Principal

Nicole Fox
Assistant Principal
