January 17, 2025

Dear Moniteau Families:

It is that time of year when inclement weather has become a concern. Moniteau School District is committed to providing our students with the best possible education. We have learned from our experiences over the past few years that our students learn best in an in-person learning environment. In an effort to better support our students, Moniteau School District is using traditional snow days. Currently our snow makeup days are as follows:

- Monday, February 17, 2025 (makeup day for 1/6/2025)
- Tuesday, April 22, 2025 (makeup day for 1/16/2025)
- Monday, April 21, 2025 (if needed)
- Thursday, April 17, 2025 (if needed)

If we use all available snow days, we will move to the Flexible Instruction Day format, which means students would complete their learning online or via work that is sent home with your child(ren). If the need for a FID day arises, we will utilize a 2-hour delay before we begin instruction.

Please know, all efforts will be made to get students to school in a safe and timely manner. The district will continue to use 2-hour delays as an option prior to a school closure or FID day being considered. Decisions of this nature are not entered into lightly. Your child's safety, as well as the safety of our staff are of the utmost importance. We appreciate, in advance, your support to our commitment of excellence. In the event of a school closure please remember all afterschool activities will be canceled as well. Thank you for your cooperation in offering Moniteau students the opportunity to be successful.

Information for inclement weather decisions can be found at the following locations:

- District website
- District Facebook page
- WBUT/WISR
- KDKA
- WTAE
- WPXI
- Skylert system (phone, text, email)

Sincerely,  
Aubrie L. Schnelle  
Superintendent of Schools
