The students of Dassa McKinney Elementary, in the Moniteau School District, had their very first Celebration Ceremony in October. This event celebrated academic achievement as well as outstanding "Bee"havior throughout the school. Students in grades 4-6 were recognized and given Honor Roll ribbons for earning all A's for the first grading period. In grades K-3, two students that model excellent behavior and follow the school's Four Bees (Be Safe, Be Respectful, Be Responsible, Be Productive) were selected from each homeroom. Congratulations and keep up the good work, kids!

### 4th Grade Honor Roll Students
