Dear Parents/Guardians,

Thank you for your support in getting your children off to a great start at Dassa McKinney Elementary. We are already at the halfway point of the first grading period. To review your child's midterm progress, we ask that families of students in Grades 2-6 access your children's grades on Skyward. If your child is in kindergarten or first grade, his/her progress report is included with this letter.

The purpose of the progress report is to provide you with a summary of your child's progress throughout the grading period. It represents what your child's report card would look like if the grading period were to end now. It is our hope that the progress report gives you a reason to discuss academics with your child, as well as with your child's teacher.

We believe that an open line of communication between the home and school is one of the most important components of academic success. Our faculty and staff are eager and willing to discuss your child's progress in greater detail with you. Please sign and return the bottom portion of this document to share your feedback.

Sincerely,

Kevin M. Boariu
Principal
