11/18/2024

Dear Parent/Guardian:

The Every Student Succeeds Act (ESSA), requires schools that receive federal Title I funding to ensure that all teachers in a program supported with Title I funding hold appropriate state certification and meet specific licensure requirements, including any requirements for certification obtained through alternative certification routes. The law also requires us to notify parents if their child is being taught for four or more consecutive weeks by a teacher in a Title I school who does not yet meet the definition of “appropriate state certification.”

This letter is to inform you that your child’s teacher, Ms. McConahy, who is filling in as our substitute Art teacher, does not hold certification in the subject matter. Ms. McConahy has received Elementary K-4 certification from the Pennsylvania Department of Education to allow her to teach in this position and she will continue in the position until Mrs. Willison returns.

Thank you for your continued support of your child’s education and we encourage you to communicate with his or her teacher on a regular basis so that together we can provide your child with the best education possible. Please contact the school office if you have any additional questions regarding this letter.

Sincerely,

Kevin Boariu

Principal
