

**DASSA MCKINNEY  
ELEMENTARY SCHOOL**

**4 Bs**

The SWPB (School Wide Positive Behavior) Team was started in 2013 at Dassa McKinney Elementary School. Our Tier 1 interventions are the schoolwide expectations that are taught to all students throughout each year. We also have bee slips that are given for good behavior that the students may take to the school store to purchase merchandise. Our Tier 2 interventions are check and connect, check in & check out, small group work, buddies & data driven behavior checks. Tier 3 interventions are SAP (Student Assistance Program), Community Agencies & Family/School Programs.
